

AQUAZONE
USE PURITY BE HEALTHY

(A *Wealth Zone* Technologies company)

AQUA ZONE-RO SYSTEM

- We are the largest manufacturers and suppliers of **ro system**. We have wide range of ro system spares and all accessories are designed in accordance with set industry standards. The RO System is offered in various specifications and is acknowledged for ro system design, durability and are easy installation. Our range of RO System spares, spares and accessories is tested on well defined parameters and is offered at market leading prices.

AQUA ZONE-RO SYSTEM

- Our products RO System are designed and developed in strict conformation with the various quality norms. RO System have a precision design and are widely appreciated for their accurate dimension and high efficiency. By leveraging our in-depth industrial expertise and knowledge, we can also custom designed these system, water filter system as per the specifications and drawings provided by our customers.

AQUA ZONE-RO SYSTEM

- We are in domestic, Commercial, institutional & Industrial Segments and having membership of international **Water Quality Association (WQA) USA**. We r in in Manufacturing, Marketing, Installation and Servicing of **RO, UV and UF Water Purification Systems, Domestic RO Water Purifiers, Industrial RO Water Purifiers** and providing **spares, components & accessories** thereof.

AQUA ZONE-RO SYSTEM

Product Range

We are amongst the prestigious manufacturers, and importers of a wide range of water purification systems. Marketed under the name '**AQUA POT**' our range comprises:

- **RO Cabinets**
- **Domestic RO Water Purifiers**
- **Commercial RO Water Purifiers**
- **Institutional RO water Purifiers**
- **Industrial RO Water Purifiers**
- **RO Spares, components and Accessories**
- **Hot and Cold Water Dispensers Inbuilt RO**
- **UV (Ultra Violet) Water Purifiers**

AQUA ZONE-RO SYSTEM

Product Range

We are amongst the prestigious manufacturers, and importers of a wide range of water purification systems. Marketed under the name '**AQUA POT**' our range comprises:

- **All kinds of Water Filters**
- **RO System**
- **RO Purifier**
- **RO Cabinet**
- **RO Membranes**
- **RO System Spares**
- **Domestic RO System**
- **Industrial RO System**

AQUA ZONE-RO SYSTEM

Product Range

We are amongst the prestigious manufacturers, and importers of a wide range of water purification systems. Marketed under the name '**AQUA POT**' our range comprises:

- **UF (Ultra Filtration) water Purifier**
- **Mineral Water Pot for Houses**
- **Mineral Water Pot**
- **RO Pump Adapters**
- **Commercial RO System**
- **Domestic RO Water Purifier**
- **Hot/Cold Water Dispensers Inbuilt RO System**
- **RO System Accessories & Parts Filter Housings**

PRODUCT MANUAL

AQUA ZONE RO SYSTEM

AZ –WMB

AQUAZONE
USE PURITY BE HEALTHY

AZ –WMB

- Wall Mounted Best Option
- Compact & Easy Installation
- Easily fits above your kitchen sink and also for under-sink installation
- Purification Capacity @ 15 Ltrs
- Easy Maintenance

AZ –DOLPHIN

AQUAZONE
USE PURITY BE HEALTHY

AZ –DOLPHIN

- Modern Design with transparent storage tank
- Wall Mounted/Table Top Design
- Fully Automatic with Auto Start and Auto off
- Purification capacity of 15 Ltrs/hr
- Storage Capacity of 9 Ltrs
- 6 Stage purification with RO and extra Pre Filter

AZ –UVS

AQUAZONE
USE PURITY BE HEALTHY

AZ –UVS

- RO+UV Technology
- Best wall Mounted Design
- Purified water level indicator
- High Storage Capacity
- Fully Automatic

AZ –UVS

Highlights

- The top selling model of our range UV Smart is preferred by our customers owing to the sleek and compact design combined with superb performance.
- This model is customizable based on requirements with the option of TDS Regulator, UF, Alkaline Cartridge and increased purification capacity of 30 LPH (Standard 15LPH)

AZ –UVS

- The wall-mount/table top design makes it convenient to install in the kitchen or near the dining area.
- Comes with the extra pre filter installed (available on all our models) as well. This additional filtration stage extends the RO membranes life by regularly replacement.

Now also available with transparent storage tank (UV Smart T)

AZ –XL25

AQUAZONE
USE PURITY BE HEALTHY

AZ –XL25

- Best Suited for Offices and Schools
- Specification
- Product
- AQUAPOT XL25USP
- High purification capacity up to 25 litres/hour

AZ –XL25

Installation

- For attachment with water coolers/ Under Sink Installation Technology

- Reverse Osmosis Water Purifier- Point of Use

Purification Capacity - 25 Litres*/Hour

Max. Duty Cycle - 100 Litres/Day

Storage Tank Capacity

Not Available – To be installed with a cooler/ Dispenser

AZ –XL25

Filter Cartridges

- Sediment
- Activated Carbon
- Carbon Block
- Post Carbon

- RO Membrane :- Pentair- 75 GPD (2 Nos)
- Min. Inlet Water Pressure :- 0.3 kg/cm^2
- Max. Inlet Water Pressure :- 3 kg/cm^2
- Input Voltage :- 100-300V AC (50Hz)
- Operating Voltage :- 24V DC
- Dimensions :- L380 W210 H390 (mm)
- Net Weight :- 16.20 kgs

-

AZ –XL50

AQUAZONE
USE PURITY BE HEALTHY

AZ –XL50

- High Purification Capacity @ 50 Ltrs Per hour
- Best system for office, hotels and commercial usage
- Available in 50 & 100 Ltrs Per Hour
- Less Maintenance and High Productivity
- Wall Mounted

GENERAL TECHNICAL SPECIFICATIONS

COMPONENT	CAPACITY
Maximum production output	75GPD to 300GPD
Maximum feed water pressure	10psi
Normal feed water temperature	5deg.C – 35deg.C Average Recovery 50% APP
Rejection	50% APP
R.O. Membrane	Thin film composite
Operating pressure	45 to 100psi
Feed water pH range	6.5 to 8.5
Maximum iron in feed	<0.2ppm
Maximum feed hardness	<120ppm
Maximum feed TDS	<1500ppm
Maximum feed turbidity	<5NTU
